ENTRY FORM International Walks

About the Walking Festival

Those who take part in the Walking Festival will improve their health, gain awareness of walks in the Rotorua district and realise how easy it is to be active.

Awards

Walkers who complete walks on Saturday 19th and/or Sunday 20th March will be eligible for a certificate (one day of walking) or a medal (two days of walking). Walkers will need to complete checkpoint card requirements.

Safety

The walks are on routes of variable terrain over public and private roads, paths, walkways, forests, parks and among natural geothermal reserves. Participants need to take full responsibility for their own safety and ability to undertake any of the walks. They need to understand normal road and safety rules. Attendance at any safety briefing prior to the start of each event is required and necessary.

Medical

Please wear suitable clothing (including wet weather gear), sun hat and footwear. Please take appropriate first aid equipment including plasters and creams to cover blisters, sprains and other common walking injuries.

Food and Drink

Please take enough food and water that you might need for the duration of the walk.
